Informing the Resident at
Hyderabad that persons
apothecary Deenaboo,
through a native by
name, passes for an
East Indian and that
warrant medical officers
likely to be available till
1897 for the post of
Surgeon Amraote

in fact, the number present for duty is already below the sanctioned strength. Even if the appt. of such an officer was sanct. by the Govt. of India there is no probability of one being available in this Presy until 1897.

Sir,

With reference to
telegram No. 3287 of the
26th ultimo from the
Secretary for Berar
I am directed to inform
you that the Surgeon
General reports that
mentioned Apothecary
Devanboo, though a native
by birth, passes for an
East Indian and
possesses the requisite
tact to get on ~~well~~ with
Europeans. He was for
several years in medi-
cal charge of Palmanai
the Sanitarium of the
North Arcot district
where he had occasion
to deal with many
Europeans & was well
thought of.

2. Now a suitable
medical officer is avail-
able in this Presidency
for appointment to

790
[En]raoti neither can this Depart.
ment nor the military spare
one at present. In fact owing
to the number present for duty in
the military Department being below
the sanctioned strength it has
been suggested to entertain pensioners
temporarily - vide my letter to
Government in the military Depart.
ment no 7/32 dated the 18th June
1894.

4. If the Government of India
sanction such an appointment
steps will be taken to send a perma-
nent warrant officer as soon
as one is available which in Madras
will probably not be until 1897.

I have the honor to be,
Sir,
