Fort St. George

16 September 1884

Sir,

As I have been appointed to act as
Superintendent during Mr. Keys' absence as per
G.O. Public Department No. 1523 Dis., dated
8 July 1884, without being relieved of my own duties
as deputy, I have asked the Accountant General
whether I cannot draw acting allowance for the
1st 30 days of Mr. Keys' absence under Section 40 (4) of
the Pay and Acting allowance Code as I am doing
the duties of the two appointments. His reply
in original (to be returned) is herein enclosed.

Under the above circumstances,
I have the honor to request that you will be
good enough to sanction payment of the Acting
Allowance for the 1st 30 days of Mr. Keys' absence
as no allowance was drawn for the period in
question.

I have to
(sd) R. Hill.

Government Press,

OFFICE NOTE.

In pursuance of the order of Government dated 12th July 1894, No. 507 Public, appointing the undersigned ~~last~~ for Mr. Hill, on privilege leave, the Offg. Superintendent, Government Press, submitted to the Accountant General under Article 155 of Civil Service Regulations, his bill for acting allowance from 9th August 1894, the date of Mr. Hill's absence. The Accountant General has taken objection to the acting allowance claimed as well as to any allowance during the first 30 days of the acting period i.e., 9th August to 7th September 1894, and has passed a charge allowance from 8th September under Article 176.

In submitting the Accountant General's objection slip for the information of Government.

the Offg. Superintendent begs to state
that Mr. Hill, when recommending
the undersigned to Government to
act for him during his absence,
had in view his own case. In
1884, Mr. Hill was acting for Mr.
Keys under similar conditions
(vide G. O. Public dated 21st September
1894, No. 2098 Vis), and Government
was pleased to pass in his case
the acting allowance claimed
for the three months he was acting,
as will appear from the copy
of correspondence in Mr. Hill's case
submitted herewith. The undersigned
therefore respectfully solicits that
Government will, in view of the
precedent cited, be pleased to
sanction the acting instead of
the charge allowance for the full
three months.

D. Fisher
offg. Superintendent.
