With reference to para 4 of

the reasons for the present system
 under which the pay of a Passed

It would appear more equitable that
 the increased pay should date from

 be forwarded through the Asst. Comd.

Sir,

In reply to official Memorandum
No. 1653, dated 18 instant, I have the
honor to say that there is nothing on record
in this office to show how the practice
originated of recommending Junior
Civilians for increased pay from the
date on which they pass the last portion
of the Higher Standard examination.

2. The reason for the practice
can however be only this - that they
never cannot by any possibility
have qualified until the exami-
nation is over, i.e. the last day.

3. I have, however, no objection

Submitted to Government.

The grant of increased pay to a junior
Civilian from the date on which
he passes the last portion of the
Higher Standard Examination seems
to be the reasonable course, as he
cannot be considered to have pass-
ed it before that date. The effect
of granting increased pay from
the first day would be to consider
him to have passed the exam-
ination before it was com-
pleted.
