THE OBSERVER.

Madras, 16 October 1894.

FROM

THE GOVERNMENT ASTRONOMER,

Madras.

To

The Honble Mr. J. F. Price,
Chief Secretary to Government.

SIR,

With reference to G.O. dated 9 October 1894,
No. 755, I have the honor to point out
that the Report on the Madras Observatory pre-
pared for the Indian Observatories Committee
is already drawn up for the official year and
and is submitted before July 1st.

2. The Administration Report— which is
non-technical— refers to the Calendar year,
but this report is not in any way intended
for the Indian Observatories Committee. I
have the honor therefore to enquire whether
it

it is desired that this report also should
be for the official year. The only objection
to this would be that the meteorological
abstracts which it contains must refer
to the Calendar year and it seems best
that these should be issued as soon as
possible after the close of the period to
which they refer.

I have the honor to be,
Sir,

Your most obedient servant

C. M. Smith

Offg. Govt. Astronomer.
