PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following G.O. of30th August 1894, No 3390 ~~ms~~:-

Read the following Endorsement of the Public Works Dept. of 22nd August 1894, No 832 D on the following letter from the Superintending Engineer, First Circle, to the Chief Engineer, Public Works Dept. of 8th August 1894, No 942 G.O.:-

I have the honor to inform you that I have lately received from the District Surgeon, Somavari, several reports detailing the results of his inspection of rain-gauges in our charge.

2. I beg to be informed whether I am supposed to act upon the suggestions made by the District Surgeon.

3. It seems to me quite unnecessary for that Officer to inspect our rain-gauges and I think the intention of the Board of Revenue in their Proceedings of 29th January 1894, No 48 was that the inspections of District Surgeons should be confined to rain-gauges under the charge of the Revenue Department.

— . —
Endorsement:

Referred to the Revenue Department with request that the orders of

Government on the Board's Proceedings No. 48 of 29th January 1894 may be communicated to the Public Works Department.

2. It is considered that the inspection by District Surgeons need not be extended to rain-gauges belonging to the P.W. Department and it is suggested that orders be issued accordingly.

Order:-

With reference to para 1 of the Endorsement read above, Copy of S.O. 696 dated 16th February 1894 will be communicated to the Public Works Department.

2. Before issuing orders as suggested in para 2 of the Endorsement, the Board of Revenue, (Revenue Settlement, Land Records and Agriculture) will be requested to state whether it has any remarks to offer thereon.

Read also Proceedings of the Board of Revenue, Rev. Sett. &c, of 1st October 1894, No. 5941 Mis., stating that the inspection by District Surgeons need not be extended to the rain-gauges belonging to the Public Works Department.

Order

The rain-gauges belonging Public Works Department need not be inspected by District Surgeons.

2. Copy of S.O. of 16th February 1894, No. 696 will be communicated to the Board of Revenue (Revenue Settlement)
