No. 18.

TO HIS EXCELLENCY THE RIGHT HONOURABLE THE GOVERNOR
IN COUNCIL FORT ST. GEORGE.

My Lord,

I have received the Report of the Superintendent of the Archaeological Survey in the Madras Presidency for the year 1893-94 which was forwarded with your Secretary's Letter of the 10th July last.

2. The Report itself calls for no particular remark, but I desire to draw your Excellency's attention to the inferior manner in which the photographs that accompanied it have been produced. These, indeed, constitute the most interesting part of the report, but it would be well, in future, that they should invariably be named as well as numbered, since, without this, they would be almost valueless if separated from the report itself.

I have the honour to be,

My Lord,

Your Lordship's most obedient humble Servant,

Henry P. French
