ORDER OF

Under Secretary to

To

The Chief Secy. to the Govt. of Madras.

Home Department.
Medical.

Simla, the 25 October 1894.

SIR,

THE President of the Indian Medical Congress to be held in Calcutta from the 24th to the 29th December 1894 has asked that medical officers wishing to attend the Congress may be granted leave to permit of their being in Calcutta for seven or eight days in addition to the time occupied by the journeys from and to their stations. I am accordingly directed to request that, with the permission of His Excellency the

Governor in Council, medical officers wishing to attend may, as far as possible, be allowed leave for a period not entailing more than 12 days' absence from their stations. It must, however, be a condition of the grant of such leave that the proper execution of the medical work of the Province is not interrupted. Where a Civil Surgeon is allowed to attend the Congress, provision should be made for the performance of his duties by the medical officer of a neighbouring district or in some other suitable way. Preference should be given to those officers who have declared their intention of reading papers at the Congress.

I have the honour to be,

SIR,

Your most obedient Servant,

H. Luson.

Under Secy. to the Government of India.
