GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From Colonel G. M. J. MOORE and others, Directors of the Monegar Choultry,
to the Chief Secretary to Government, dated 27th September 1894, No. —.

We have the honour to submit the Annual report and accounts connected with
the Monegar Choultry, the Native Infirmary, the Foundling Asylum, Rajah Sir
Savalai Ramasawmy Mudalyar's Lying-in Hospital, and the Rajah of Venkatagiri's
Choultry, for the year 1893.

2. The receipts from all sources, excluding those of the Rajah of Venkatagiri's
Choultry, amounted to Rs. 21,226-9-6, or Rs. 223-8-7 less than in the previous year.
Rs. 10,637 were contributed by Government; Rs. 8,168-10-4 were realized from
invested funds; and Rs. 2,001-9-0 from private subscriptions and donations as shown
below :—

	RS.	A.	P.
Donation from Government	8,337	8	11
" on account of the late Nabob's contribution ..	1,050	0	0
" " of the Foundling Asylum	492	0	0
Donation on account of batta paid to pregnant women attending the lying-in hospital before confinement ..	300	0	0

Interest on Government and other securities	8,168	10	4
Subscriptions and donations	2,001	9	0
Miscellaneous	419	5	3
Total	21,226	9	6

3. The expenditure during the year ended to Rs. 22,236-12-9 as detailed
below. The excess of Rs. 779-9-9 over the previous year was due mainly to arrears
payments on account of the municipal assessment on buildings (Rs. 1,015 odd
against Rs. 338-8-0), and to increase in the number of women admitted to Rajah Sir
Savalai Ramasawmy Mudalyar's lying-in hospital.

4. There was a slight increase in the number of paupers fed in the Depôt
Choultry and a small falling off in the number in the Native Infirmary. The daily
average number relieved was 73 and 105.29 in 67 and 115.37, respectively, in
the previous year. The average cost of feeding each pauper a day in the Depôt
Choultry was As. 1-9³/₄ as in the previous; and in the Infirmary .. 2-11³/₄
against As. 2-9¹/₂.

5. In the Asylum for Foundlings, the daily average number of children relieved declined from 4.17 to 2.70. There was consequently an increase in the cost per head from 10½ to 11 pies per diem.

6. *Rajah Sir Savalai Ramasawmy Mudalyar's Lying-in Hospital.*—The total number of women admitted for accouchement in this hospital during the year was 856, or 159 more than in 1892. The cost of dieting was Rs. 1,371-5-10 against Rupees 1,112-4-1, or on average Rs. 1-9- per head against Rs. 1-9-6. The batta granted to poor women before confinement amounted to Rs. 23 more than the Government contribution (Rs. 300), but was less than that of the previous year by Rs. 61. There was a small increase in the cost of establishment from Rs. 1,911-5-4 to Rupees 1,954-5-10, due to the entertainment of a lascar.

7. *Rajah of Venkatagiri's Choultry.*—The accounts of this charity are kept separate. Including the balance on hand (Rs. 2,608-12-1), the receipts during the year amounted to Rs. 6,898-0-1, and the expenditure to Rs. 4,238-8-10. The daily average number of in-door paupers from this choultry was 39, while the number of out-door paupers who receive one-fourth measure of rice a day was 105. The corresponding figures for the previous year were 50 and 108. The average cost of relieving each pauper was As. 1-9¾ a day as in the previous year.

8. *Lord Napier School.*—The number of children who attended the school during the year was 13 against 12 last year.

9. The Directors are happy to report very favorably on the system of employing the paupers on some light work suited to their capacity. All who were not absolutely intendent, either in the kitchen, clearing rice, sweeping the various wards or watching the garden, watering the plants, weeding them and keeping the compound clean.

10. The accounts were audited during the year by Rajah Sir Savalai Ramasawmy Mudalyar, Kt., C.I.E., as usual, and we place on record our appreciation of his valuable services.

11. We are glad to state that subscriptions during the year were better than in the previous year and we hope that the current year's subscriptions will show a further improvement.

12. The Directors regret to find that their income by way of interest on Government promissory notes was reduced by Rs. 553 owing to the conversion scheme of the Government of India which will greatly affect the usefulness of the institutions under their management.

ORDER—dated 3rd November 1894, No. 829, Public.

The cause of the increased expenditure is explained in paragraph 3 of the report.

2. The amount of subscriptions and donations collected was greater than in 1892. The donations received from Government were the same as in the three preceding years and aggregated Rs. 10,180. The interest on capital and on investments amounted to Rs. 8,169,
