OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, *6th November* 1894.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE Honorable the Chief Secretary to Government

Public Department.

SIR,

With reference to G.O. no 798 Public, Confidential, dated the 25th October 1894, I have the honor to state that the Hospital assistant in question is one of the students passed out in June last and was in the absence of another place for him posted to do duty under the District medical and Sanitary Officer Berhammore. As a rule the new Hospital assistants who pass out each year are sent to districts which they elect to serve in.

2. It may be stated that the medical charge of Chinnacole is held by a civil apothecary who is acquainted with Telugu and the Hospital assistant is only his assistant.

3. The question of withdrawing medical subordinates from stations and districts the language of which they do not understand.

is already engaged my attention and
am addressing Presidents of District Boards
with a view to carry out the same. Steps will
be taken to post a Telugu speaking Hospital
Assistant to Chitradurga as soon as one is
withdrawn from a Tamil district.

I have the honor to be,

Sir,

Your most obedt. Servant,

Chitambar

Surgeon Major General

Surgeon General with Fort of Madras.
