The Surgeon General
proposes that the erection
of the buildings which
will be required by the
Civil Dept when the
military dept hands
over the station hos-
pital buildings should
be commenced at once.

It is submitted
that there is no guar-
antee that the scheme
will ever be carried
out and it would be
unwise to incur respon-
sibility as things stand
at present.

SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,
Madras,

To

THE Honorable the Chief Secretary
to Government,
Public Department,

SIR,

With reference to the marginally noted G.O.s regarding the transfer of the Women and Children Hospital to the General Hospital. I think it would be very desirable for Government to direct the erection of the proposed buildings, especially those on the roof of the present Station Hospital.

2. If these were complete it would be possible to hand over the whole East Wing to the Military pending the erection of the new Station Hospital giving them more room than they would give up to us.

3. The proposed changes sanctioned in G.O. No 390 Public dated the 14th June 1894 could be carried out simultaneously.

Committee forwarded
with Surgeon-General's
letter No 655 dated
