OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, 19 November 1894.

No. 617
Encl.

From

SURGEON MAJOR-GENERAL F. SIBTHORPE, F.R.C.P.S.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE Honble the Chief Secy. to Government
Public Department.

SIR,

With reference to para 2 of G.O. No. 696
Public dated the 19th September 1894 I have
the honor to forward the enclosed copy of a
communication from the Principal Medical
College Madras regarding the two questions
raised in it.

2. As regards the question of the retention of
text books by students I am strongly of opinion
that the rule regarding Native Medical pupils
as contained in para 303.A. India Army
Regulations Volume VI Medical Extracted in the
margin should also govern the case of
Civil medical pupils otherwise it will
lead to dissatisfaction amongst the
latter.

I have the honour to be,

Sir,

Your most obedient Servant,

F. Sibthorpe

Surgeon-General with the Govt. of Madras.

303.A. Native Military pupils are permitted to retain in
their possession (after their professional training has been
concluded) the books issued to them whilst at a medical
school, & they will produce them at the inspection visits
of District Principal Medical Officers. Those who resign or are
dismissed the service will return the books in question to
the Principal of the medical school in which they were
trained.

Under the circumstances now
stated it would appear
advisable to allow the retention
of the books after passing
out of the College

Very well -

Should say Govt should get
the books out from home -
Buying them by local tender
can hardly be an economical
proceeding
