Copy of letter from the Resident in
Travancore and Cochin, of 3rd November 1894, N^o 3459.

With reference to paragraph 6 of Govern-
ment Order of 13th July 1894, N^o 509 Public, communicat-
ed with Political Order N^o 514 of the 24th idem
I have the honour to report for the information
of Government that the Cochin Durbar regrets
its inability to accede to the proposal therein
made not only on account of the large outlay
which its acceptance would involve but also
because the Durbar desires that the Principal
Medical Officer of the State should be a servant
of its own. With regard to the anticipated
difficulty of replacing such Medical Officer
during his absence on leave, the Dewan points
out that the senior Assistant Surgeon in the
service of the Sirkar will always be a man
competent to take temporary charge of the
Medical Department of the State. This has
already been the practice during the absence
of the Civil Surgeon Cochin on leave and
also when no Commissioned Officers were
appointed to act in their ~~stead~~ stead.

2. I may add that the Dewan has
intimated to me his readiness to procure a
suitable Medical man for the charge either
through the Secretary of State or otherwise
as I may advise.
