So it appears from the Civil
List. This being so, I don't see the
need of removing his name from the
list of members of the B.E., on the
one hand, or of this special
app't. on the other - but before
said that they would not make
the Colr. of that an ex-officio member,
i.e. would not always burden
him with this extra work. But
I don't see why he should not take
his turn with the Colrs. of neigh-
bouring districts.
