Endorsement by the Revenue Department, dated 5th December 1894, No. 2402 R.
Do. Public Department, dated 6th December 1894, No. 2427.

ORDER—dated 8th December 1894, No. 3148 W., Public Works.

Ordered that the schedule of requirements under Imperial Civil Works for 1895-96 be forwarded to the Government of India, Public Works Department.

2. The Public Works establishments in the Jeypore Estate having been withdrawn, the Judicial Department will be requested to instruct the Estate Engineer to prepare the necessary plan and estimate for a new Post office at Jeypore for which an allotment of Rs. 5,000 has been applied for in the schedule.

3. The following Meteorological works have been included in the schedule under the orders of the Government of India, Revenue Department :—

- (a) Observatory building at Kodaikánal.
(b) Residence for the Superintendent at Kodaikánal.

The Consulting Architect will lose no time in preparing and submitting plans and estimates for the works.

4. It is reported that an estimate of Rs. 12,580 for item 6 has been received by the Board of Revenue from the Superintending Engineer, V Circle. The provision made in the schedule is roughly one-third of the approximate estimate, which it is proposed to charge to Imperial funds, the remaining two-thirds being met from Local funds.

5. The work noted in the margin has been brought forward in the list submitted by the Board of Revenue. It has not been included in the schedule as the cost has since been ordered to be met from Provincial, 43. Minor Works and Navigation—vide G.O., No. 927 I., dated 26th November 1894.

6. A sum of Rs. 16,000 was provided in the current year's budget for Postal and Telegraph repairs, but the amount was found inadequate and there are at present several demands remaining uncomplied with owing to this insufficient budget provision. The provision for next year has therefore been enhanced, a sum of Rs. 20,000 being entered in the schedule.
