CHEMICAL EXAMINER'S OFFICE,

No. 1179

Madras, 11 December 1894.

From Surgeon Major J. L. Vaugeois M.B.E.M. F.R.C.S.
CHEMICAL EXAMINER,

Madras,

To

THE Chief Secretary,
to the Govt. of Madras

SIR,

Public Dept.

Fort. St. George

Under G.O. No. 685 Pub. dated

24th August 1893, I have the honor to
bring the following case to the notice
of Government.

On 24th May 1894, Civil Apothecary
S. Egappa of Sackpalle performed a
post-mortem examination and secured
the viscera for Chemical Examination
under the orders of the Sub. Magistrate.
In the explanation which I have
received from the Medical Subordinate
it is stated that he waited till
the 12th June for an order to
transmit the viscera for Chemical
Examination.

examination, and not having received this order he on that day wrote to the Sub. Magistrate intimating that "he had preserved the viscera for transmission to the Chemical Examiner on the receipt of instructions to that effect."

In the meantime Civil Apothecary Egappa was relieved of his charge in August and he handed over the preserved viscera to his successor Civil Apothecary Balakrishnaiah Kaidoo.

On the 21st of November the 2nd Class Magistrate F. Raghava Row, (Pahad Saluk) issued the necessary order, and the viscera have arrived here in a decomposed state, six months after they were removed from the corpse.

In the first place, Civil Apothecary Egappa Kaidoo did not retain a sample of the spirit which he had used for preservation of the viscera.

In the second place, Civil Apothecary Balakrishnaiah should have reminded the Sub. Magistrate of the non receipt

of the forwarding order, instead of waiting indefinitely for the same.

In the third place, the Sub. Magistrate appears to have completely neglected the orders of Government which require him to issue the order for transmission of viscera to the Chemical Examiner, "with promptitude".

I have the honor to be,
Sir,

your most obedient servant

~~W. B. C. M. F. C. S. F. D. C.~~
Surgeon Major.
