2. During the period of my absence, my current office duties will be effected as usual when on tour.

3. I enclose letter N<sup>o</sup> 306 dated 8<sup>th</sup> February 1894 from the Accountant General on the subject of travelling allowances, from which it will be seen that, unless I proceed from Madras on duty and my absence be so regarded throughout, I shall receive no allowance for my establishment, though as a fact, I shall be still engaged on office duty. Under these circumstances, I would suggest that the difficulty could be overcome were Government to kindly regard the whole period of absence from the Presidency as on duty, under article 1137 of C.S. Regulations, irrespective of my giving evidence before the Royal Opium Commission, which need not be regarded as an incidental circumstance.

is authorized to proceed on duty to Bombay, Poona and other places in the Bombay Presidency and the Nizam's dominions for a period not exceeding fifteen days.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

From the Sanitary Commissioner for Madras, dated 8<sup>th</sup>  
February 1894, No. 292. S.

With reference to G.O. No. 22 dated 2<sup>nd</sup> February  
1894, directing me to proceed to Bombay to give  
evidence before the Royal Commission on opium,  
I have the honor to respectfully request that Govern-  
ment will be pleased to favor me by allowing me to  
stay on duty within the Bombay Presidency and  
Nizam's Dominions, for a period of not less than  
ten and preferably fifteen days. My object in  
making this request is that I believe by taking  
the opportunity thus afforded me of inspecting  
the drainage, water supply and conservancy  
arrangements in Bombay, Poona and elsewhere  
in the Bombay Presidency, and in Aurangabad,  
I may be in a position to derive benefit in  
professional knowledge.
