GOVERNMENT OF MADRAS

To

Chief
THE SECRETARY TO THE GOVERNMENT OF MADRAS,

MILITARY DEPARTMENT.

SIR,

I am directed to acknowledge the receipt of your letter No: 862 Public, dated 12th October 1895, recommending that unless the orders conveyed in Military Department letter No: 4124-D, dated 23rd August 1896, are to have retrospective effect, the promotion rolls of certain Military Assistant Surgeons of the Indian Subordinate Medical Department, Madras, submitted with your endorsement No: 1414, dated 24th July 1895, may be approved and notified in Government General Orders, as The Surgeon General with the Government of Madras reports that the withholding of the same is likely to be regarded as a grievance by those concerned.

2. In reply, I am to state that ^{the} note to paragraph 243, Army Regulations, India, Volume VI, Medical, which has been directed to be expunged in the Military Department letter quoted above, authorised promotions according to length of service "pending absorption of the supernumeraries of the different ranks". But at the time the promotions were recommended, the supernumeraries had been absorbed; and the Military Assistant Surgeons concerned should not, therefore, apparently derive any benefit from the ruling in the note referred to.

3. In deference, however, to the opinion now expressed, that the withholding of the promotions might be regarded as a grievance by those concerned, the Government of India are pleased to sanction the promotions under reference, and I am to state that they will be notified in Government General Orders at an early date.

I am, Sir,
Yours most Obedient Servant
