3. His Excellency the Governor in Council is constrained to remark again on the inordinate delay that has occurred in the submission of the majority of the returns. Only five were received by the due date, viz., 10th October. The returns from Cuddapah, Nilgiris, Vizagapatam and Kistna, although *nil*, were received by Government on the 18th, 20th, 21st and 24th December 1894, respectively. Such delays are highly unsatisfactory and must not recur.

Henry Moberly Esquire
Acting District Magistrate of Malabar.

To,
The Chief Secretary to Government
Public Department,
Madras.

Sir,
I have the honor to report on the working
of the system of granting passports to pilgrims
proceeding to Hedjaz for the season ending 30th
September 1894.

2. In the year under report 16 passports
were issued against 152, in the previous year. This
number does not however represent the total number
of pilgrims, who actually proceeded to Mecca, for
they generally take out passports from Bombay,
the port, at which they finally embark.

3. The number of passports issued, and
the taluks to which the pilgrims belong are given
below.

Thurumburanas	—	1
Ernad	—	5
Walluwanas	—	8
Ponnani	—	2
		16

Of these, 7 have returned, 1 died, and as regards
the rest enquiries are being made.

4. There has been a considerable decrease
in the number of passports taken out, probably
because the pilgrims do not find that they are
of much use to them. Cholera broke out last year
at the place of pilgrimage, and 43 people
appear to have died of it. This must have pre-
vented many from going.

I have the honor to be,

Sir,

Your most obedient servant
