Extract from a letter from Mr. E. Hultzech, no 408, dated Bangalore the 14<sup>th</sup> November, 1894.

1. I can not spare the man before April or May from his proper duties.
2. The work would occupy about one month. I would suggest that he receives his pay (Rs 9/-) plus a deputation allowance of Rs 21/-, total Rs 30/-.
3. He would also have to be paid one third class ticket from -- Bangalore City to Bellary and back, one cart from Bellary to Siddapura and back, and about four coolies a day. For these expenses, he ought to receive an advance of Rs 60/- for which he would have to -- account to me in detail.
4. I would arrange for the copying materials, viz brushes (2 dozens), dabbers ( $\frac{1}{2}$  dozen) and paper (4 reams) and

and pay Railway charges for the same. These charges, which will amount to about Rs 100/- would have to be refunded to me on submission of a detailed bill.
