From

N. E. Marpibanks Esquire,

Act. Head Assistant Collector of
Panjore.

To

The Collector of
Panjore

Sir,

I have the honor to forward herewith Copies of
a letter written by me to the Accountant-General
re: the allowance due to me from ~~13th~~ June to 13th
July - both days inclusive and the Accountant
General's reply.

For the period from 6th May to 28th June
both days inclusive, I drew pay and allowance
under the orders of the Accountant-General as

acting

acting Sub-Collector, is pay as Assistant
Collector and acting allowance as Sub-
Collector.

I submit that there is no reason
why the merely formal transfer and re-transfer
of the office of Sub-Collector which took place on
the 29th June should deprive me of the higher
acting allowance from the 30th June to the 13th July
inclusive, and I request that you will be good
enough to obtain the sanction of Government
for my retention at Kumbakonam for that
period.

I have &c

2. Under Government Order No 427, Public:

dated 6th April 95, Mr. Marjoribanks took

charge of the Sub-Collectorate and enabled Mr.

Clegg to relieve Mr. Thomson who was about to

proceed on leave then. After handing back charge

of the District on the 22nd June, Mr. Clegg availed

himself of joining time and resumed charge of

the Sub-Collectorate on the forenoon of the 29th idem.

He then gave over charge on the afternoon of the

same day to Mr. Marjoribanks in view to relieve

Mr. Thomson, who was to proceed to Travancore.

As the period for which acting allowance is claimed

by Mr. Marjoribanks is almost continuous with

his previous acting period as Sub-Collector, the

allowance may be passed.

No 2605 of 21/9/95
In Madras Government Order No. 427 Public dated 6th April 1895 Mr. Marjoribanks was appointed to act as sub collector Tanjore in the arrangement made consequent on the absence of Mr. J. Thomson on privilege leave. He ceased to act in that appointment on the forenoon of 29 June 1895 when Mr. Clagg took charge of it. He again took charge of it on the afternoon of 29 June 1895. As the continuity of his acting appointment was broken it is necessary that he should be reappointed as acting sub collector to enable this office to pass salary and allowances as such.
