To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT.

SIR,

I am directed to forward, for the orders of the Government of India, a letter from the President of the Board of Examiners, Madras, in regard to an application made by Mr. J. N. D. Latouche, an Executive Engineer on the Bellary-Kistna State Railway, to be examined in Telugu according to the second-class test specified in the rules for this Presidency, approved by the Government of India, in Mr. Bernard's letter, dated 17th September 1879, No. 64, Home Department (Examinations).

2. I am to say that for the reasons stated in the Proceedings of Government of this date, No. 120, copy of which is herewith forwarded, His Excellency the Governor in Council has permitted Mr. Latouche to present himself for examination in Telugu according to a standard equivalent to that of the higher standard in Hindustani by the Government of India Public Works Code. If he passes, he will, under section 20, chapter II of that code, apparently be entitled to a reward of Rs. 500, which will, it is presumed, be chargeable to Imperial Revenues. I am to ask whether these assumptions are correct.

I have the honor to be,

From orders,

3. The Engineer-in-Chief of the Southern Mahratta Railway, in a letter, dated the 6th instant, No. 4480 E., to the Deputy Chief Engineer, again asks that Mr. Latouche may be examined by the same test, representing that Mr. Latouche claims to be examined under the provisions of the Government of India Public Works Code, which does not make a third-class test preliminary and compulsory; and the letter has been referred to the Board with an inquiry as to whether they will now grant the examination.

5. The point has never been settled, and the Board will be glad of a ruling for their guidance.

6. In the mean time the Board will grant Mr. Latouche an examination in January next on the distinct understanding that the concession is not to form a precedent, and that no claim for the reward is to be made until the pleasure of Government is known as to the position of Government of India Public Works officers serving in the Madras Presidency in the matter of the local vernacular examination rules.

ORDER—dated 2nd February 1889, No. 120, Public.

The Government are of opinion that the Madras rules do not apply to Mr. Latouche, who is an officer serving under the Government of India. The officers of departments controlled by that Government, who ordinarily serve in Madras, are expressly excluded in the sanction given by the Government of India to the Madras rules, in their letter, dated 17th September 1879, No. 64, recorded in G.O., No. 386, dated 10th October 1879, Educational; and the reason why officers of the Public Works Department of India were not specially mentioned in that letter was doubtless

ENCLOSURES.

Subject.

Submitting for orders of Government, an application for an examination by the 2nd Class test in Selwyn, of Mr. Latouche, a Public Works officer of the Government of India, serving on the Southern Mahratta Railway Company (Bellary - Kistna Rail)

I am of opinion

- (1) that the Madras rules do not apply at all to the Catoiries ~~in an office serving in~~ the Govt. of India. The officers of departments controlled by that Govt. who ordinarily served in Madras are expressly excluded in the sanction given by India to the Madras Rules and the reason why officers of the PWD in India were not mentioned is double - that it is a pity if they are included on the Madras list.
- (2) that Mr. [unclear] in [unclear] is entitled to be examined only under the P.W. Code India. Apparently he wants to go in for the higher standard as defined in App. B. [unclear] in [unclear] [unclear]
- (3) that if he passes the exam of Rs 500 to which he will be partially be entitled, with a fee changeable to the Govt. of India

I would tell the Board to examine him according to App. B. and would refer the question to India.

5." In the meantime the Board will grant Mr. Labouche an examination in January next on the distinct understanding that the concession is not to form a precedent, and that no claim for the reward is to be made until the pleasure of Government is known as to the position of Government of India Public Works Officers serving in the Madras Presidency in the matter of the local Vernacular examination rules.

I have the honor to be
Sir
Your most obedient servant.

OFFICE OF THE BOARD OF EXAMINERS,
Madras, 28th November 1888.

From

THE PRESIDENT,

BOARD OF EXAMINERS,

MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

The Dy. Chief Engineer, Public Works
Department, in a letter 1887, sent in the
name of Mr. J. M. Latouche, Executive
Engineer, Railway Branch, for examina-
tion in Telugu according to the 2nd Class test.

2. The Board in their letter dated the
1st December 1887, No. 701, informed the
Dy. Chief Engineer that they could not
grant the examination to Mr. Latouche
because he had not passed the 3rd Class
or Compulsory test.

3. The Engineer-in-Chief of the
Southern

2nd Class test is a purely voluntary one and carries a reward of Rs. 500 or Rs. 360 according to length of service.

The point, therefore, is whether Mr. Labouche is to be granted a concession not open to Madras officers which moreover may enable him to put forward a claim which no Madras officer can make without passing the 3rd class test. The Government of India Public Works Code certainly does not classify officers as in Madras, but it appears to the Board that the Madras Rules, if accepted at all, must be accepted with their full conditions.

5. The point has never been settled and the Board will be glad of a ruling for their guidance.
