No. 2030, JUDICIAL, 1st OCTOBER 1895.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper :—

From F. C. HARRISON, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 14th September 1895, No. 2498.

With reference to the concluding portion of paragraph 2 (a) of G.O., No. 1511, dated 17th July 1895, I have the honour to state that proposition statements are not required when medical subordinates attached to an institution are promoted or replaced by men of higher or lower grades.

2. There is no objection to the Surgeon-General being empowered to change the appointments so long as the sanctioned number is not exceeded. This being so, there is apparently nothing to be gained by omitting the appointments from proposition statements for individual institutions and showing them all in a single proposition statement for the whole Presidency. Moreover, their omission from such statements would prevent the total cost being correctly exhibited therein.

ORDER—No. 2030, Judicial, dated 1st October 1895.

The Accountant-General's letter will be communicated to the Surgeon-General, who will be empowered to employ in the Lunatic Asylum and other Government institutions apothecaries and hospital assistants of such grades as he may consider fit, provided always that he does not entertain more than the sanctioned number of each.
