My dear Mac Cartie

I know nothing
more about O'Connell's going to
Calicut of which I have given
him no notice, than that a minute
of appt. was signed by Mr. L.
he kept over until Bent's resignation
was accepted. I told you that

My dear Macfarlane,

I understand from
Mr. West that he vacates
his seat in the High
Court from the 4th prox.
& expects that his
successor will arrive
by that date. I presume
I shall have to be in

... 1 the 4th
in order to take the
sessions. Is there
any objection to my
handing over charge
(which I can do to the
Sheristadas) of the
Arch Court at
once, otherwise I
shall lose my joining
time? Will you kindly
have a reply

by Telegram. I enclose the
telegram.

Yours sincerely
J. M. D. Jones
