My dear Manavedama Raja,

Under present arrangements
2 months you will be termed out at Nellore
by Mr. de Gama when he is called by Mr.
Arncliffe on the 24th November. It is
just possible that you will not
have to go, though as matters at
present stand it is very probable that
you will have to. You will be
granted leave if it is necessary for
you to revert but your application,
which please send in, will be
taken as cancelled if it turns out
that you can be worked into an
Acting (Mudroff) or Turkish

Yours sincerely

Dear Mr. Price,

I beg to submit the following with reference to the letter promised in my wire of this date. not ~~at~~ I respectfully beg to state as a protest but with a view ~~to~~ at least to have my reversion postponed for ~~at~~ 2 or 3 months. The refusal to grant me priv. leave in January compelled me to part with all my things. My return (for which I still thank the Govt.) sudden as it was again compelled me to procure horses carriages & everything at a week's notice. The loss sustained by me you can easily imagine. On an average my pay has been about ₹ 800 minus a tenth for house rent. Without indenting on family funds I have had considerable difficulty in getting on for the past

several months. I am aware that it was on my own account that I had to take leave in January that in fact I have no reason to complain. But there is one more circumstance which compels me to make this application for an extension. Last Wednesday my wife, who is in the family way had a sudden attack of what particular disease the Doctor could not say but complete prostration. She is but slowly recovering, & will hardly be in a position to undertake a long Ry. journey. If Govt will allow me time till she recovers I shall feel highly obliged. It is true I have the option of going to Ongole. I respectfully beg to state that I shall take ^{it} as a greater favour ^{if} that option is refused. I further beg to add that my letter may not be taken as anything but ^a respectful application for an extension for at least 2 or 3 months. If this is not practicable I request that I may be informed of the probable interval so that I may fix the commencement and duration of leave. I beg that I may not be compelled to go back as a sub-collector after a service of 15 years. I shall thank you for telling me by wire the probable date by which I may expect to be turned out.

Yours sincerely

M. M. S. Raju
