My dear Rawson,

It has been decided
to cancel your appl. to Tellicherry
and to put you in to act for
Rees when he goes to Calcutta.
I am ^{if possible} will probably have to take
short privilege leave to tide over
the interval between your relief
at Tanjore and joining at
Colacamunda but it all depends
on the date on which Rees
leaves.

Tanjore Collector's Office,

VALLAM,

Oct: 16th / 41

My dear Mac Cartie,

I have heard from
Stokes that he is to
come here at the begin-
ning of next month.

He told me about a
fortnight ago that
he heard I was to
go to Salem instead of
him, but he now writes
that Murray is going
there. My wife also

heard from Mr. Bell at Teller's that Reg. had heard that I was to go there in December. So I wrote to ask if you would kindly let me know what really is going to happen. I trust that the Teller's arrangement, as Reg. I believe Teller's is a nice place, I simply cannot stand the worst coast climate. It nearly killed me before when I first came out. I am afraid it is impracticable, and even presumptuous, to suggest it, but what I should like, if it were possible,

would be to stay in here
~~last~~ until about
February, and then go to
wait in Farmer's de-
partment. I haven't
presented it to him about
it, but I don't suppose
he would object, as
he is not, I fancy, very
keen on coming to Tan-
jore, ~~I don't know~~

I don't know, at
least, if there is any
urgent reason for
his coming here at-
tance. If there is, that
of course settles it.

Tanjore Collector's Office,

VALLAM,

But if there is no parti-
cular urgency for a
few months, this ~~arrangement~~
arrangement would
suit me far better than
any other. I know there
are a lot of services
coming out in the course
of the next few months,
and I also know that
this district is generally
held by a senior man.
I don't make the sugges-
tion because of the

entire pay attached to
his collection, but
simply to avoid the
trouble of ^{two} such
long names. In fact,
rather than have to
make them, I would
prefer to revert to
my permanent as-
signment at Justice
for the next two or three
months, until Walter
is vacant.

I know that it is
impossible, at any stage

of service, to avoid having
a day transfer, but I
think I have had my
share, as my next move
will be the eighth since
I returned from England
3½ years ago.

I should be aw-
fully obliged if you
~~could~~ could keep me
in the way indicated.

I am looking for-
ward to meeting you
next Tuesday, and
I only hope it won't

vari. It has been doing
nothing else here for
the last week. I am
afraid H-E and
his party are having
a wet time out in
camp.

Yours sincerely
Re. Rawson

My dear Mr Price,

I understand that
Wintarsell is to go shortly
to Calicut, and I write
to ask whether, if this is
the case, I might be al-
lowed to take his place
at Cuddalore instead
of having to go to Telli-
cherry. I did not know
until the day before I
saw the last gazette that
Government had any

two children to take with
me, and with having to
see and buy furniture etc
do these two men would
bever. I suppose I suppose
and it would be really for
me better to return to my
permanent appointment
as Sub-Collector at Gunter
for the intervening months
until work is in progress
than to go to Kichibang
I am afraid, a second grade
Judge.
The Judgeship at Cuddalore
for the other hand
would suit me better

It is with a shadow of regret
that I am about to leave
this last time Graham's
return in mind, which
is just about the time of
his fame, I understand,
will be retiring. If necessary
I could take some bridge
leave in case Stokes
arrives here does not
finish with O'Farrell's
departure from Cuddalore.

I should be exceedingly
grateful if you could see
their way to cancelling
my appointment to
