ORDER—dated 5th February 1895, No. 283 W., Public Works.

In the Proceedings recorded above, the Financial Department has assigned a grant of Rs. 30,20,000 for expenditure on Provincial Civil Works in Madras during the year 1895-96. The amount has been distributed as shown below:—

Original Works.

	RS.
Civil buildings	12,81,794
Communications	83,665
Miscellaneous public improvements	...
Minor Works	1,05,900
Reserve with the Government for incomplete works	5,58,145

Total, Original Works ... 20,29,504

	Repairs.	Rs.
Civil buildings	...	1,90,700
Communications	...	1,12,000
Miscellaneous public improvements	...	14,800
		3,17,500
Total, Original Works and Repairs	...	23,47,004
Establishment	...	5,09,613
Tools and Plant	...	1,63,353
Grand Total	...	30,20,000

2. In accordance with G.O., No. 525 W., dated 28th February 1893, heads of departments have submitted budget estimates for original works costing over Rs. 500, and Superintending Engineers and the Consulting Architect for original works costing Rs. 500 and less and for repairs. The allotments for works have been fixed by the budget committee in accordance with the procedure approved in G.O., No. 2856 W., dated 11th October 1883. The works for which funds have been provided are shown under class A, while schedule B contains works for which no allotments have been made, but which can be brought forward during the year should funds become available.

3. Funds have been provided for all works in progress and for all sanctioned new works brought forward by heads of departments. Provision has also been made for a small number of unsanctioned new works which should not however be commenced until estimates have been duly sanctioned.

4. A sum of Rs. 1,41,000 has been provided for the Women and Children's Hospital at Madras. A portion of this sum, estimated to amount during the year to Rs. 30,000, will be reserved for the Detention hospital which has to be provided in exchange for the existing buildings.

5. The amount required for incomplete works will be provided from the reserve on receipt of detailed proposals from Superintending Engineers and the Consulting Architect. These should be submitted as early as possible after the close of the current official year.

6. Allotments for minor works and repairs have been made to the full extent of the demands.

7. The distribution of grants for minor works and repairs is shown in part II of the budget and that for tools and plant in part IV.

8. No allotments have been made for agency works in the Jeypore estate. These will, under G.O., No. 200 W., dated 25th January 1895, be resumed by the Public Works Department, and the Superintending Engineer will apply as early as possible for funds required during 1895-96.

9. With reference to G.O., No. 2557 W., dated 13th October 1894, a sum of Rs. 120 has been provided for the conservation of archaeological works.

10. The allotments applied for by the Chief Engineer, Military Works, Madras Command, for expenditure on minor works and repairs at Bangalore and Wellington have been provided in part II.

11. The cost of establishment for 1895-96 is estimated at Rs. 21,96,639 or Rs. 17,272 in excess of that for 1894-95. The net debit to Provincial Civil Works is Rs. 5,09,643 or 21.7 per cent. on the grant for works as against 31.1 per cent. in 1894-95. The reduced percentage is due to increased contributions from other funds and to a larger grant for expenditure on works under Provincial.

12. A sum of Rs. 53,000 has been reserved in the budget under Tools and plant for the supply of tents to Public Works officers. This amount will be distributed to circles in separate Proceedings.

13. As the net result of transactions under "Suspense" is not expected to show either increase or decrease in the accounts for 1895-96, part VI of the budget has been omitted.

14. Superintending Engineers and the Consulting Architect will make proper arrangements for the early submission of plans and estimates for the unsanctioned works provided with allotments.

15. Appendix D has been omitted from the budget in accordance with the instructions contained in paragraph 6 of the Government of India Resolution No. 18 B.O. A.C.W., * dated 23rd March 1893.

16. The budget estimate of receipts for 1894-95 was fixed at Rs. 1,04,000. The revised estimate has been increased to Rs. 1,60,000 on consideration of the actuals for the first five months of the year.

17. The difference between the budget and the revised estimate of charges for 1894-95 is due to the following causes:

(a) Transfer to the Agent to the Governor, Vizagapatam, of the grants for Civil Agency works.

(b) Transfer to the Civil Department of the grant for warders' huts at the District Jail, Tanjore, the execution of which was undertaken by the jail authorities.

(c) Transfer of Rs. 39,360 to 43. Provincial Minor Works and Navigation.

(d) Transfer from the civil budget of the grant for repairs to the Sea Customs building at Vizagapatam.

18. With these remarks the preliminary issue of the Provincial Civil Works budget for 1895-96 will be printed and circulated to the officers concerned and four copies forwarded to the Government of India, Public Works Department.

From

H. G. Turner Esquire,

To

The Honorable J. F. Price.

Ag. Chief Secretary to Government
Fort St. George.

Sir,

Referring to G. O. 31st October 1888 et. 1029
Public, I have the honor to report that
I have recently been to Devikolam Tra-
-venore, and have endeavoured to
arrange to divest myself of the interest
I hold in land in that State.

2. I believe that there will be little dif-
-ficulty in procuring a purchaser for my
interests in a short time. If there be no
objection to the purchase money being on
mortgage, it can be done at once. But
although the land is increasing in value
by the success that has attended planting
operations in that region, and although
my price is limited to the money actually
sunk in the land, there is at the present
moment no demand for investment.

3. Besides these future contingencies, I am in correspondence with some neighbouring planters in view to the formation of a small Company to which I would transfer my interests in return for shares. The gentlemen in question are now considering the proposal and I hope to hear from them in a short time.

4. I believe that Government are in possession of the knowledge that my interest in the land is a matter of private family arrangements, and that I am in fact nothing but a shareholder in a coparcenary which is at present not large enough to form into a Company. I have no doubt at all that I shall in a short time be able either to sell my interests or to incorporate them in a Company which will come within the Government rules, but I respectfully request that a few months may be conceded to enable me to carry the negotiations to conclusion.

I have the honor to be,
Sir,

Your most obedient servant

H. J. Turner

Replies have come from ~~about~~
all the officers to whom G.O.
31st Oct. 1888 no. 1029 regarding
lands held by civilians, was
addressed individually, except
from Lieut. Col. Campbell Walker
who is on furlough.

The letters from Surgeon Major
H. L. Hackett & Mr Burlton
have been disposed of by routine
orders, as the former ^{merely} referred
to his previous letter reporting
that he had divested himself
of his lands (in G.O. 543, 28th Novr)
and the latter, ~~Mr Burlton~~,
wanted to know what orders
prevented his acquiring lands. Mr
Burlton has been referred to
the orders on this subject, G.O. 30th
April 1888 no 458, & 17 Sept 88 no. 909

Surgeon Major J. Smith
believes he is not now affected
by the rules ~~has~~ in question,
because he is in Military Empl.

Lieut. Col Hemming states that the 25 acres of land owned by him on the Palud Hills were ~~acquired~~ ^{by} purchased with the intention of building a shooting-box upon ^{them}, but as the idea has now been abandoned, he requests that time may be given him till the end of next year to dispose of the lands in question.

Mr H. G. Turner states that if there is no objection to his disposing of his ^{share} ~~share~~ by means of a mortgage on conditional sale he can do so at once: else it would take him a few months to either to sell his interests or to transfer them to a company in return for shares.

Chief Secretary to Government

Sir,

With reference to G.O. No. 1029 Public, dated the 31st October 1888, I have the honour to state that the late Colonel Alfred Ellis and I bought the land in question, the plots being contiguous, with the intention of building a shooting-box upon it, and that after the death of Colonel Ellis I purchased his share of the land from his heir-at-law.

2. As there is now little or no prospect that the original idea will be realized, at

least within any assignable period, I am
prepared, if the Government desire me to do
so, to take measures to sell the land
before the end of next year.
