PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Surgeon General, dated
18th October 1895, No. 447.

With reference to G.O. No. 721.
Educational dated the 29th August 1895, I
have the honour to state that I placed
myself in communication with the Senior
Medical Officer, General Hospital,
regarding the plot of ground referred to
in the G.O. and that officer is of opinion
that the whole of the plot should
be kept as a site for quarters for the
Subordinate Medical Staff, the Stewards
and the servants of the General Hospital.
Considering that it is very necessary to
provide accommodation for them near
the Hospital, I agree in his opinion,
as the piece of ground is not too large.

Order. 18th November 1895, No. 886.
