Read the following

Letter from the Engineer-in-Chief, Arsikere-Mangalore --

Ry: Survey, No. 25 dated 10th December 1894.

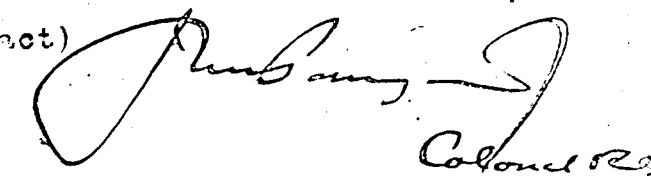

I have the honor to suggest that an Apothecary be attached to this survey. I am told that parts of the District are very feverish and unhealthy and it is, I think desirable that we should have an Apothecary situated centrally who could -- attend any case of more than ordinary illness, or, if necessary, bring an officer in if very ill. If you approve of my suggestion I would be glad if you would apply to the Principal Medical Officer for a competent man with a supply of medicines to be sent out. There are small field service chests -- issued.

Order thereon: -No. 728 R dated 31st/₂ December 1894.

The appointment of an apothecary to the Arsikere-Mangalore Railway Survey, will be debited to the lump sum provision for Establishment.

2. The Public Department will be requested to arrange for -- the posting of the Medical Subordinate to the Canara section.
