GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From Colonel E. BEGBIE, Officiating Adjutant-General, to the Secretary to Government, Military Department, dated Ootacamund, 19th February 1895, No. 852-N.A.

I have the honour, by desire of the Commander-in-Chief, to forward, for the information of Government, a report (with statement attached), dated 13th February 1895, received from the Superintendent of Pensions, regarding the employment of pensioned soldiers of the Madras Army in civil capacities during the half-year ending 30th September 1894, and to request that it may be printed and circulated in the Public Department and be also communicated to the Madras Press.

ENCLOSURES.

From Colonel FANE SEWELL, Superintendent of Pensions, to the Adjutant-General, Ootacamund, dated Fort St. George, 13th February 1895, No. 1012-E.—5660.

I have the honour to forward, for the information of His Excellency the Commander-in-Chief, a report and a return for the half-year ending 30th September 1894 regarding the employment, in civil capacities, of pensioners of the Madras Native Army.

REPORT by the Superintendent of Pensions on the progress of the scheme for the employment, in civil capacities, of pensioners of the Madras Native Army, promulgated by His Excellency Lord Roberts, G.C.B., G.C.I.E., V.C., late Commander-in-Chief of the Madras Army.

The return, dated 7th July 1894, showed 3,521 as the number of employed pensioners under the scheme up to 31st March 1894. During six months from April to September 1894 this number has been increased by 691 pensioners for whom employment has been found, thus making up a total of 4,212 pensioners.

2. Of the above number, viz., 4,212 and of 390 pensioners who remained on the 31st March 1894 in employment which they had obtained prior to the introduction of the scheme in 1885, pensioners numbering, respectively, 642 and 26 are reported to have ceased to be employed on account of various causes as detailed below :—

	I. Employed under the scheme.	II. Employ- ed prior to the scheme.
Voluntarily resigned	368	12
Thrown out on reduction	193	2
Dismissed for misbehaviour	43	2
Died	38	10
Total ..	642	26

Thus the number of employed pensioners on 30th September 1894 under the two heads stood as follows:—

I. Pensioners employed under the scheme as per annexed return ..	3,570
II. " " prior to the scheme	364
Total ..	3,934

This number, viz., 3,934, is the total number of employed pensioners on 30th September 1894, and is composed as follows:—

Europeans or Indo-Britons	113
Eurasians	94
Mussulmans	1,398
Hindus and others	2,329
Total ..	3,934

3. On the 30th September last the scheme was nine years and nine months old, and the steady increase in the number of employed pensioners marks the satisfactory advancement of the scheme.

4. In all the stations given in the accompanying statistical statement, which shows the number of pensioners employed at each station, there has been an increase or no change in the number of such pensioners during the half-year under report, except in the stations named below, where there has been a decrease:—

Arcot	Shwebo.
Bangalore.	Thyetmyo.
Bellary.	Trivandrum.
Berhampur.	Trichinopoly.
Chicacole.	Vizagapatam.
Cuttack.	Amraoti.
Meiktila.	Coimbatore.
Moulmein.	Gódávári district.
Mount.	Kurnool "
Quilon.	Kadur "
Rajahmundry.	Malabar "
Samalkot.	Mangalore.
Secunderabad.	Palkonda.
	Salem.

The increase in the number of pensioners employed has not been as large as hitherto, no doubt on account of the value of rice-money having increased in a few of the largest pension stations, this circumstance lessening the desire for employment on the part of pensioners.

5. The upkeep of this useful institution has effected an actual saving of Rs. 27,313-12-7 to Government during the half-year ending 30th September 1894 in the shape of rice compensation disallowed by Regulations to employed pensioners. See statistical statement alluded to in paragraph 4 of this report.

Prisoners under the scheme up to 31st March 1894.
During six months from April to September
1894 this number has been increased by

4212 prisoners.

2. Of the above number viz. 4212
of 290 Prisoners who remained on the 31st

3. On the 30th September last the scheme was 9 years & 9 months old, and the steady increase in the number of Employed pensioners marks the satisfactory advancement of the scheme.

4. In all the stations given in the accompanying Statistical statement, which shows the number of Pensioners employed at each station, there has been an increase or no change in the number of such pensioners during the half-year under report except in the stations named below where

where there has been a decrease:—

The increase in the number of Pensioners employed has not been as large as hitherto, no doubt on account of the value of Rice-money having increased in a few of the largest Pension Stations, this circumstance lessening

lessening the desire for employment on the part of Pensioners.

5. The up-keep of this useful institution has effected an actual saving of Rupees 27,313-12-7, to Government during the half-year ending 30 September 1894, in the shape of rice compensation disallowed by Regulations to employed Pensioners - See Statistical Statements alluded to in paragraph 4 of this report.
