Sir,

In reply to memo no 2516 dated 17th
December 1894, I have the honor to state that
absence of Mr. McIver without a substitute will
be very inconvenient as the Treasury Deputy Collector
has only just returned from two months inspection
during which Divisional officers had to do his
work in addition to their own, and as two of
the Divisional officers will be absent at Madras
next month for examination.

If however no officer is available arrange-
ments must be made. In that case I would
suggest that Mr. McIver go shortly after
the examination at Madras is over in order
that he may return in time for Jamabundi
and for the rearrangement of Divisional offices
which is to take place at the close of
