Forwarding copy of letter from the Supt., Govt. Telegraph Dept., informing that the Surgeon General's Office at Kungumbaukham can be connected by telephone with the Central Exchange in the Fort at an annual rent of Rs. 280

grat.

For orders. It would be a great convenience to be in telephonic commⁿ with the S. G. particularly as his office is so far away. The Observatory has a telephone, however, and it would be cheaper to let Mr. Michie Smith arrange for the transmission of messages if he does not mind. A man on 10 Rs. a month w^d be useful to him in other ways and if the number of messages to & from the S. G. did not justify his retention he c^d. be dispensed with. At present Mr. Michie Smith very kindly himself receives & transmits urgent messages to the S. G. but that cannot be allowed to become a custom.

I don't think the commⁿ is worth Rs. 280 per annum - J.D.B.

I do not think the proposed arrangement with the Observatory would answer. There would be a difficulty about sending on the messages to the S. G.'s office.

My dear Mr. Michie Smith
It has been ascertained
that the annual
rent charge for direct
telephonic communication
between the exchange
and the Surg. Genl's
office would be Rs. 280,
and the Govt. is of opinion
that the resulting con-
venience does not
justify this expenditure.
You have occasionally
very kindly sent messages

us to the S.G.'s office.
 It is very seldom that
 the necessity arises for
 urgent comm. with the
 S.G. and I therefore
 do not hesitate to ask
 you to lend us your
 assistance in the
 future as you have
 so kindly done in
 the past. You shall
 never be unnecessar-
 ily troubled.
