G.O. 148 d/ 4 March 95.

Resubmitted to
His Excellency the
Governor with refce to
His Excy's remarks on
the note for orders.

It is respectfully
pointed out that the
question is whether
this Govt: should send
the reports to India
through the Surgn. Genl
with the Govt of India

that would be mak-
ing ~~the~~ head of a dept
the channel of comm.
between local and
supreme Govts.

This is the system
contemplated in para
6 of India's letter in
G.O. 5.10.94, No. 744 - but
it is submitted that
this Govt: should pro-
test against such
an indignity being
thrust upon it.

I will see the position
now. I hope that
will not take it in
longer.

Of course we must protest.

-ment of the wishes of

2. In paragraph 6.

The letter quoted ^{above} it is
 stated that such reports
 should be sent to Local
 Governments for transmission
 to the Surgeon General
 with the Government of
 India and submission
 by him to the Govt. of
 India. I am to point
 out that it is neither
 usual nor desirable that
 Local Governments should
 be the channel of
 communication with
 the head of a department
 and this Government
 desires to protect ^{most stringently} against
 such a course being
 prescribed in this case -
 from orders.
