Read the following papers :—

No. 154. *From J. STURROCK, Esq., President, Board of Examiners, Madras, to the Chief Secretary to Government; dated 12th February 1895, No. 883.*

I have the honor to request that the Government will be pleased to move the Government of India to accord its sanction—

- (a) to the alteration of the dates fixed for the Military Higher and Lower Standard Hindustani examinations held in Madras from the first Monday in January, April, July and October to the third Wednesday and following days in each of these months;
- (b) to the alteration of the dates for the High Proficiency and Honors tests in Urdu to those on which examinations by the same test in Persian conducted by this Board are held, viz., the third Wednesday and following days in January and July.

2. As regards (a), it is believed that this alteration will cause no inconvenience to candidates, whilst the revised dates for January and July will be more convenient for the Translator as being those on which he has to attend Persian examinations in Madras.

3. As regards (b), the High Proficiency and Honors examinations in Urdu are at present held quarterly on the same days as the Higher and Lower Standard Hindustani examinations, but the Translator is of opinion, and I agree with him, that it is unnecessary to hold Urdu examinations by these tests more frequently than Persian examinations by the same tests which have always been held half-yearly only. There are generally more candidates for the High Proficiency and Honors tests in Persian than for the same tests in Urdu.
