Officers of all four Commands will be eligible for appointment to the Staff at the Head-Quarters of the Army in India.

13. Staff appointments which are not reserved for any particular branch of the service will, as far as possible, be equally divided between the British and Indian services, and an officer serving in one Command may be appointed to the Staff in any other. All appointments that may carry the rank of substantive Colonel will be made by the Governor-General in Council on the recommendation of the Commander-in-Chief in India, and, in the case of officers of the British service, with the approval of His Royal Highness the Commander-in-Chief. Other appointments to the General Staff will, as a rule, be made by the Commander-in-Chief in India on the nomination of Lieutenant-Generals Commanding, subject to the approval of the Government of India. The first appointment or promotion of a Native commissioned officer will be made on the nomination of the Lieutenant-General, and be subject to the approval of the Commander-in-Chief in India and the Government of India, and will be published in the General Orders of the Government of India.

15. All appointments in the—
Medical Department of the Army,
Judge Advocate-General's Department,
Veterinary Department,

will be made under existing rules, except where otherwise specified. Departmental promotions will be notified in the *Gazette of India* or *London Gazette* in accordance with existing practice.

16. The Principal Medical Officer, Her Majesty's Forces in India, and the Principal Medical Officers of the several Commands and districts, if of the Army Medical Staff, as well as the Principal Veterinary Officer in India and Inspecting Veterinary Officers, will be appointed as at present by His Royal Highness the Commander-in-Chief with the concurrence of the Secretary of State for India; officers belonging to the Indian Medical Service will be appointed by the Government of India.

FURLOUGH AND LEAVE.

17. Furlough or leave, other than privilege leave, will be granted to Lieutenant-Generals, General Officers Commanding Districts, Deputy Adjutants-General of Commands, and officers at the Head-Quarters of the Army in India, by the Commander-in-Chief. In the case of Lieutenant-Generals the approval of the Government of India is necessary. Furlough or leave to other officers will be sanctioned within the regulations by the Lieutenant-General Commanding the Forces with which the applicant is serving. The grant of furlough or leave will be notified in the General Orders of the Government of India, the General Orders of the Commander-in-Chief, or in the orders of the Command, as the case may be. Departmental officers, other than officers of the Military Accounts and Army Remount Departments, will submit their applications through the local head of the department to the Lieutenant-General, who will grant the leave with the previous concurrence of the head of the department with the Government of India. When the furlough or leave is not provided for by regulations, the application will be referred for the orders of the Commander-in-Chief or Government of India as the case requires. In urgent cases, the grant may be made in anticipation of sanction. Details of procedure for the grant of furlough and leave will be found in Appendix I of the General Orders of the Commander-in-Chief in India of this date.

DISPOSAL OF BUSINESS NOW PERFORMED BY THE MILITARY DEPARTMENTS OF THE GOVERNMENTS OF MADRAS AND BOMBAY.

19. Questions which have hitherto been referred by the Commanders-in-Chief of the Madras and Bombay Armies to the Military Departments of the Governments of those presidencies will, in future, be decided locally or referred, where necessary through the Commander-in-Chief in India, to the Government of India. Business relating to estates of deceased commissioned and warrant officers, hitherto transacted by the Military Secretaries to the Governments of Madras and Bombay, will in future be conducted by the Secretary to the Government of India, Military Department.

RELATIONS OF THE STAFF AT THE HEAD-QUARTERS OF THE ARMY IN INDIA TO LIEUTENANT-GENERALS AND ADMINISTRATIVE DEPARTMENTS UNDER THE GOVERNMENT OF INDIA.

20. The Adjutant-General in India will issue to the Army in India all orders of the Commander-in-Chief relating to the *personnel*, duties, training, discipline, equipment, and general efficiency of the troops. The Quartermaster-General in India will continue to issue circulars and executive orders on matters customarily dealt with in his department. All decisions and instructions of the Government of India and of the Commander-in-Chief will be communicated to Lieutenant-Generals Commanding by the chief officer of the department concerned.

21. In all departmental matters affecting a department exclusively, which may necessitate reference to the Commander-in-Chief, the head of the department concerned will submit the matter to the Commander-in-Chief personally, or by minute paper or office note, and he will communicate the instructions received to the head of the department with the Command concerned, who will, under the orders of the Lieutenant-General, give effect to the same. Papers on which the Commander-in-Chief may have passed decisions will be communicated to the Adjutant-General, Quartermaster-General, or Principal Medical Officer to be noted. All questions involving military as apart from departmental matters should be discussed with the Adjutant-General, Quartermaster-General, or Principal Medical Officer, as the case may be, in order that military considerations or those affecting general military policy may be fully weighed before submission to the Commander-in-Chief.

22. When the Commander-in-Chief is on tour, heads of departments will forward all papers for submission to His Excellency to the Adjutant-General, or the Quartermaster-General in India, according to the nature of the business, who will communicate the Commander-in-Chief's orders thereon to the head of the department concerned.

23. There will be a Controller of Military Accounts with each Command who will be the financial adviser of the Lieutenant-General Commanding, as well as of the Government of India in the Military Department. The Controller will not be under the orders of the Lieutenant-General as regards his departmental duties, but only in matters of military discipline.

24. All matters of primary importance, or which affect the Army at large or more than one Command, changes in regulations, in organization, or those in which a principle is involved, will be submitted by Lieutenant-Generals to the Commander-in-Chief in India. Other matters (which will be defined in the subsidiary orders of the Commander-in-Chief) of particular application or of purely local concern, but which may require to be submitted to the Government of India, will be dealt with by Lieutenant-Generals in direct communication with the Government of India.

The procedure here indicated will be adopted in Madras and Bombay as regards original references, which do not concern individual officers, from the 1st March 1895.

25. The Deputy Adjutant-General will be the channel through which all orders of the Lieutenant-General will be issued to the forces under his command. Departmental questions affecting troops in the Command should be discussed with the Deputy Adjutant-General before submission to the Lieutenant-General Commanding. On all purely departmental matters on which local heads of departments have taken their orders direct from the Lieutenant-General, they will issue them to their departments. On questions relating to the troops and departments generally, orders will be issued through the Deputy Adjutant-General.

26. All departmental matters of purely local concern affecting the troops in the Command, that the Lieutenant-General Commanding cannot himself dispose of will, subject to the reservations in paragraph 24 above, be dealt with by the local head of the department, under the orders of the Lieutenant-General, in direct communication with the head of the department with the Government of India, who will, if necessary, refer the question to the Government of India.

27. The heads of departments with the Lieutenant-General Commanding will, under regulations detailed in Special India Army Circular of this date, communicate with the heads of their departments with the Government of India, or with the Commander-in-Chief in India, as the case may require.

Officers in charge of departments of military administration with each Command, except Controllers of Military Accounts, will act in regard to their executive duties in subordination to the Lieutenant-General Commanding.

28. Subsidiary instructions relating to the changes introduced by the reorganization of the Army, herein announced, are detailed in the Special India Army Circular and the General Orders of the Commander-in-Chief in India of this date.
