Six Medical Officers named

2. As arrangements will have to be
made for the relief of the 6 officers in Civil
employ, I have the honor to submit the
accompanying minute of temporary appointments
for the approval and sanction of the Right
Honorable the Governor.

3. I have as far as possible proposed Senior and experienced Assistant Surgeons for charge of districts and those of less standing for Civil stations.

4. When the sanction of Government is received to my entertaining 5 Civil Assistant Surgeons temporarily as recommended in my letter No. 279 dated the 16th instant, arrangements will be submitted for their employment as acting Assistants to District Medical and Sanitary Officers in place of the men now selected for independent charges.

6. These recommendations will necessitate the cancelling of my letter No. 284 dated the 16th instant to your address as Assistant Surgeon Muhammad Usman cannot now be granted privilege leave.

7. No arrangements will however be made for the actual relief of these men until more definite orders are received

It is submitted
for His Excellency's con-
sideration that it wd
be premature to pass
the proposed appointments
now. They could not
be notified. It should
be sufficient to tell the
Surgeon General that his
proposals are approved
and may be acted on
should he receive orders
to despatch the Medical
officers to the North and
that the appts. would
be notified on receipt
of a report from him.

no objection to passing
these appointments so
that matters may be ready
for immediate action should
the Medical Officer named
be called upon to proceed
on service. H.D.

I have signed them, so that the
S.G. may make immediate use
of them, if necessary. Of course they
will not be notified, unless the
other officers are sent off - but
there seems no objection to the
S.G. being prepared for the
Emergency. W
