OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 18 December 1894

No. 12368

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

I have the honour to submit for sanction, a statement of the honoraria, amounting to Rs 3080, due to the gentlemen who constituted the Board of Examiners for the last Provincial Civil Service Examination, as well as to the gentlemen whom Mr. Moir, as President, appointed to assist the Board in the examination of the optional subjects. The honoraria are calculated according to the rates allowed by the University for all

all the Degree Examinations other than the medical, except in the case of the Essay paper for which a higher honorarium is entered and in that of Practical Chemistry for which a lower honorarium is entered. Dr. Wilson has himself stated that this remuneration of Rs 100/ for the Practical Chemistry is enough. The remuneration for the Essay paper is, however, the same as was allowed both in the Statutory Civil Service Examination of 1890 and in the Provincial Civil Service Examination of 1893.

2. For the Provincial Civil Service Examination of last year, the Secretary was allowed only Rs 100 as remuneration for his work as Secretary.

But

But the Board now recommends Rs 250. Owing to the increase in the number of candidates a greater amount of work in the way of correspondence &c falls on the Secretary. He has also to make all the arrangements for the examination, to see the question papers through the Press and to conduct and superintend the examination in person, besides being present during the Viva Voce examinations. I beg, therefore, to support the Board's recommendation.

3. I understand that Mr. Mouro desires that no fee need be paid to him for his services as President. No remuneration has, therefore, been entered on this account.

I have the honour to be,
Sir,
Your most obedient servant
