READ

the following letter from A. W. B. Higgins, Esq.,
as Collector of Tirunelveli to the Secretary to the
Commissioners of Land Revenue, Madras, dated
19th February 1895, Ref. Hon C. No. 107 of 95.

The Superintendent of Pearl Fisheries
applies for the supply of a medicine chest
for the use of the crew (21 in number) of the
Government Pearl Fishery vessels, Steamers
"Margarita" and Schooner "Sene", and
states that an increased scale of me-
dicine on the lines of that allowed for
light house establishment would be suf-
ficient.

2. A medicine chest was supplied
in 1861 for the crew of the old pearl fishery
vessels. It is now reported ^{to be} useless.

3. I have the honor to request that a medicine chest of the description given in page 258, Appendix XXIII of the Manual for the guidance of port-officers may be supplied to the Superintendent of Pearl Fisheries.

Read also the following reference thereon, dated 1st March 1895.

Forwarded to the Presidency Port Office for favour of remarks. The manual referred to is not available in this office.

Read also the ^{following} letter from the Presidency Port Office, dated 6th March 1895, No. 213 M.

In reply to your reference on Subordinate No. 623 dated 1st March 1895, I have the honor to state that the scale of medicines allowed for Lighthouse establishments and described in the "Port Office Manual" is the D scale, which will be supplied on Indent by

by the Principal Medical Storekeeper, Madras. I would however observe that a larger scale would be required to meet the requirements of a crew numbering 21 men, as in none of the Lighthouse does the establishment exceed 7 men.

Read also the following letter from the same officer, dated 14th March 1895, No. 245 M.

With reference to your Telephone message of this morning requesting a copy of the "Port Office Manual" to be sent up for reference, I have the honor to enclose herewith a copy of the D scale of medicines supplied to Lighthouses. The manual in question is not forwarded as it contains no other information than is stated in the above scale.

Resolution:-

Resolution:- Submitted to Government with the request that the Principal Medical Store-keeper Madras, may be directed to supply a suitable medicine Chest direct to the Superintendent of Pearl Fisheries, Tuticorin.

2. The chest said to have been supplied in 1861 was in connection with the pearl fishery held in that year.

3. The cost of the present supply may be debited to 21. Marine, Provincial.
