 I have the honor to inform you that
 the Hospital is at present located
 in a rented building. The house
 owner Dasari Venkatarreddi says
 that he is not able to execute the repairs
 ordered by the D. Surgeon and that
 that the building may be vacated if
 the Government are not willing to bear
 the cost of the required repairs.

Let me know if an estimate may be submitted for the required charges.

3. It is next to an impossibility to find a suitable house in Polavarum village for a public office and we have lately had to raise the rent of my office building by Rs 2 for want of a house - I think it therefore inadvisable to provoke the owner to give us notice to quit the Hospital building until the new hospital is ready - It will be noticed that the repairs needed are not of vital importance -
