MILITARY DEPARTMENT, 30TH MARCH 1895, No. 1998.

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Medical Department—Subordinate.

Read the following paper :—

No. 313. From Surgeon-Colonel C. E. McVITTIE, Principal Medical Officer, Madras Army, to Colonel D. J. S. McLEOD, Offg. Secretary to Government, Military Department; dated Fort St. George, 27th March 1895, No. 598.

With reference to Proceedings of Madras Government, Military Department, No. 1811, dated 26th March 1895, I am directed by His Excellency the Commander-in-Chief to state that the seven Military Assistant Surgeons directed in Proceedings of Madras Government, Military Department, No. 1438, dated 12th March 1895, to be transferred from the Civil to the Military Department are very urgently required and that serious inconvenience will very probably result if there is any further delay in supplying them, as is certain to be the case if the proposal of the Surgeon-General with Government to wait until he secures the services of pensioned Apothecaries and Assistant Surgeons is acquiesced in. An additional reason why the demands of this department should be supplied at once is that the Principal Medical Officer in India has applied to me by wire to know how many Military Assistant Surgeons in military employ could be spared for temporary duty in Bengal owing to mobilization of First Division for field service, and a certain number have already been warned for this duty with instructions to start at a moment's notice. I may mention that this department has been under strength since October last when Senior Assistant Surgeon E. Gillson retired from the service for whom no substitute has yet been given, although the Surgeon-General with Government was applied to on the 15th October 1894.

2. Under the circumstance I am to request that the Surgeon-General with Government of Madras may be asked to meet the demands of this department without any further delay.

No. 314. ORDER THEREON, 30th March 1895, No. 1998.

The Surgeon-General with the Government of Madras will be requested to forthwith place at the disposal of the Principal Medical Officer, Madras Army, the services of the Assistant Surgeons in question who are urgently required for military duty.
