From

acting & assistant COLLECTOR OF
MADRAS

To

The Chief Secretary to the Government
of Madras,
through the Collector of Madura

Sir,

I venture respectfully to solicit
the favor of early orders on my application
to be furnished with copies of the orders of
the Government of India, on which the
Madras Government has issued its order
dated 8th September 94 No 661 Public, "informing
Statutory Civilians that they shall take rank
for promotion relatively to members of the
Indian Civil Service according to the date of
their Confirmation and not that of their
first appointment."

2. My first Communication was
recorded in Government order dated 1-11-94
No 1036, which directed me to submit it
through the proper channel. I then obtained

a copy of my letter from Government, and submitted it on the 10th February 95 through the Collector of Madurai. Mr. Twigg informs me that he submitted it at once to Government.

3. In this Connection, I beg leave to be permitted to refer to the answer given in the Viceregal Council by Sir Antony Macdonnell to Mr. Mehta on the 24th January 95, (republished at page 2 of the South St George Gazette Supplement dated 19th February 95), from which it will be seen, that the Government of India have informed the Bombay Government that there is no objection on the part of the Governor General in Council to the issue by the Governor in Council of orders whereby the rule of 1890 to which exception is taken shall be held not to apply to the Statutory Civilians of the Bombay Presidency. It appears that in Bombay the Statutory Civilians have now been restored to the original places they occupied in the gradation list before 1890, and their services for promotion are counted from date of appointment and

not that of Confirmation.

4. I appeal to the Madras Government to say whether for a period of 10 years in the Presidency (from 1880 to 1890) Statutory Civilians were not invariably promoted according to the date of their appointment; and I pray that if any discretion is given to the Madras Government in the matter, that discretion may be exercised in our favor, as similar discretion has been already exercised by the Bombay Government in favor of our brethren in that Presidency.

5. I respectfully apologise for having had to trouble Government so often with my petitions; but it is hard to be deprived at one stroke of two years service; and I pray that the sympathy and consideration which has been shown to the Bombay men may be also shown to us in Madras.

I have the honor to be

Sir,

Your most obedient servant,

Rajawadee
Acting Hd Assistant Collector.
Magistrate.
