Dy. Secretary to the Govt. of India.

ORDER—dated 6th April 1895, No. 861 W., Public Works.

The revised and budget estimates of expenditure under Imperial Civil Works for
1894-95 and 1895-96 respectively have been prepared for the amounts passed by the
Government of India in the resolution recorded above.2. The revised estimate of expenditure for 1894-95, as shown in the preliminary
budget, amounted to Rs. 23,635. The modifications of grants subsequently sanctioned
raised the estimate to Rs. 23,828, or Rs. 23,800 in round figures which is the amount
adopted by the Government of India. The necessary alterations have now been made
under departmental heads.

3. The budget estimate of expenditure for 1895-96, as shown in the preliminary budget, amounted to Rs. 50,000. The Government of India having subsequently provided Rs. 30,000 for the construction of the observatory buildings at Kodaikānal (vide G.O., No. 515 W., dated 6th March 1895), the estimate has been raised to Rs. 80,000.

4. All Government works in the Jeypore estate having been in charge of the Estate Engineer that officer was called on to prepare the estimate for the Post office at Jeypore; but as these works are now to be taken over by the Public Works Department, the Superintending Engineer, I Circle, will arrange for the preparation of the plan and estimate for the Post office.

5. The estimate for reconstructing the cross road connecting the Chunampet-Madurantakam road with the Merkanam-Tindivanam road, which the Board of Revenue was asked to submit for the sanction of Government in paragraph 3 of G.O., No. 141 W., dated 19th January 1895, has not yet been received. Its submission should be expedited.

6. The plans and estimates for the observatory buildings at Kodaikānal, for which allotments have been provided in the budget, should also be expedited.

7. No outlay should be incurred on any of the unsanctioned works for which funds have been provided until the plans and estimates are duly sanctioned.

8. The control of grants for minor works under Postal and Telegraph being vested in the Directors-General of Post Offices and Telegraphs respectively, Superintending Engineers and the Consulting Architect will apply direct to those officers for funds required for incomplete and new works under the heads in question.

9. Part II of the budget contains the distribution by divisions of the grant for Postal and Telegraph repairs.

10. The Government of India will be requested to place at the disposal of the Director-General of Military Works the allotments provided * in the budget for repairs to the Postal and Telegraph buildings at Bangalore.

11. With these remarks the final issue of the Imperial Civil Works budget for 1895-96 will be printed and circulated for the information and guidance of the officers concerned and 50 copies, as shown in the margin, will be forwarded to the Government of India, Public Works Department.
