The position is conspicuous and the building well not be handsome. It looks a good deal like an upcountry deer house

The building will be quite on outside - I think it will do well enough if creepers are trained over it, which can easily be done

SUBJECT.

Plans for a store room for the properties of the Madras Society in the compound of the Victoria Technical Institute submitted for approval.

Order. 23 April 1895. No. 315.

Alis

The plans are approved, and will be returned to the Honry Secy, Madras Dramatic Society, through the P. & M. It seems desirable that where the building is completely covered with creepers, the training of creepers over the building can easily be done.
