CHEMICAL EXAMINER'S OFFICE.

No. 238

Madras, 14th February, 1895.

From Surgeon-Major J. L. Vaugeois, M. B. C. M. D. C. S. F. S. C.
CHEMICAL EXAMINER,
Madras,

To THE Chief Secretary
to Government.
Public Department.

With reference to G. O. N^o 14
dated 12th January 1895. I have the honor
to submit a proposition statement for the
re-organisation of this department.

The necessity for, and the
details regarding these proposals, have been
fully placed before Government in my
letter N^o 561 dated 22nd May 1894 read in

II
G. O. N^o 412 Public of 11th June 1894; and
I beg that Government may be pleased
to agree with my suggestion that a qualified
qualified graduate should if possible be
secured to fill one of the appointments and
that the present acting assistant
— M. Gopal Roy, should be confirmed

in the other, for the reasons explained in the letter referred to above.

Intending candidates, some of them Medical graduates, have applied to me but I have directed them all to apply to Government, with whom the appointment of Assistant Chemical Examiner has hitherto rested. In this connection I beg leave to remind Government that by the proposed re-organisation it is intended that both the Assistant Chemical Examiners should be authorised to issue certificates individually, or jointly with each other or with the Chemical Examiner, and that acknowledged exactness and uprightness is a very necessary qualification in addition to technical knowledge. I am personally anxious that the most suitable candidate in all respects should be appointed, and I respectfully beg that Government may be pleased to permit me the privilege of indicating a suitable selection from the list of

Dated 18th March 1895,
(delayed for papers)
FOR ORDERS.

India having sanc-
tioned the reduction of the
pay of the Asst. Chemical
Engr. Sur. Maj. Van Geyzel
submits a prop. statement
for the revision of his rate.
The grant of incremental
house rent is unique &
might well be stopped.
It is suggested that 25%
be given. It would also
be well to fix the pay of the
laboratory attendant and
lascar at 20/- and 10/- in-
stead of giving them one
increment. Progressive
pay does not seem called for
in either case. If these pro-
posals are accepted the in-
creased cost will be Rs. 124/-
per annum. The need for
some extra help has been
acknowledged, & in the
circ. the demand seems
moderate.

The Chem. Engr. strongly
recommends M. Goolab
Roy, the present Acting
Asst., for the permanent
appt. and begs that he
may be consulted in regard

It is already and temporary.

BS
w

I don't mind the incre-
ment after 5 years. BS

I think we should have it understood
whether increments sh^d. be allowed
to men on small pay. The point has
been raised in connection with the
chemical staff in the office of the Sol. Agent
of Pudukkotta, within the last few days.
I see no object in giving any increment
to a lascar on 10 Rs. a month -
but the attendant on 20 Rs. seems
to me different. In such a peculiarly
technical & unique business as that
of the Chem. Engr.'s office, it may be
important to retain the services of
an attendant, and I think he
might receive the one increment of
5 after 5 years. w

Please see the
opening sentence of
H. G.'s note of the 19th Apr.
"I think we should
have it understood
whether increments
should be allowed
to men on small pay."

Orders are requested
whether a f.o. may issue
to the effect that the
Govt disapproves of
incremental salaries
except in special cases,
and that in no ^{instance} case
will an incremental
salary less than Rs. 20/-
be sanctioned.
