I think it is clear that
Dr. Fitzpatrick should not
remain at Coonoor.

As to his being remanded
to military duty there is
such a demand for medi-
cal officers for Burma
that there should be
no difficulty in regard
to his employment. At
the same time it should
be remembered that
H.R. M.C. has, on more
than one occasion, ob-
jected to the transfer
of medical officers to mili-
tary duty when such
transfer is ordered
as a punishment.

I think that before final orders are
passed, regarding Dr. Fitzpatrick we
should await the explanation called
for as to his neglect of the Sanitary
conditions in the town. As to his
