The S. G. is pressing for sanction for
the appointments of an Asst Surgeon
to assist the Surgeon at the Women and Children's Hospital is
transferred to the General Hospital.
This proposal will be found at page
11 of the current file at the place marked
with red tape. The S. G. anticipates that
the N. & C. Hospital will be moved
about the 15th inst.
If it is agreed that sufficient cause
for an Asst Surgeon has been shown,
it is submitted that we may be enabled
in anticipation of the removal scheme.
I also send up with this three letters
from the S. G. relative to the reorganization
of the Sub-ordinate Medical Dept.
The first of these (Asst Surgeon) has
been already sent. The others relate to
one to Unit Apothecaries and the other
to Hospital Assistants. They are arranged
in order with a note for orders on each
following. I regret that I have been
unable to take them up sooner. It
has however been impossible as
ever since I have been here I have
been overwhelmed with work and
been quite unable to do much toward
cutting down arrears though I have
steadily worked long after hours.
