PUBLIC DEPARTMENT.

READ—the following paper :—

From Colonel P. J. MAITLAND, Deputy Secretary to the Government of India, Military Department, to the Chief Secretary to the Government of Madras, dated Simla, 6th June 1895, No. 1678-B.

I am directed to state, for the information of the Governor in Council, that the Government of India have decided that when money grants are made to Volunteer Corps to enable them to provide head-quarters, armouries, magazines, Sergeant-Instructors' quarters, &c., such grants shall be made on the following conditions :—

- I.—That any buildings so provided shall be maintained entirely at the expense of the corps.
- II.—That in the event of a corps ceasing to exist, or wishing for any reason to dispose of the building, the Government of India shall retain a lien on it to the extent of the grant made.
- III.—That when grants are made to provide Sergeant-Instructors' quarters, wholly or partially, compensation in lieu of quarters will not be allowed for the Instructors.

2. I am to request, with reference to Condition III, that the decision may be clearly explained to Volunteer Corps, so that when applying for grants from Government to provide Sergeant-Instructors' quarters, they will state in their applications that they understand that any grants given for the purpose will involve the loss of house-rent for the Instructor payable under paragraphs 166-167 of Army Regulations, India, Vol. IX.

3. As regards grants already made, the conditions upon which they were made will not be interfered with; but in any new cases of applications by corps for compensation in lieu of quarters for Sergeant-Instructors occupying buildings which were built wholly or in part out of funds granted by Government, the fact of such grant having been made, and the conditions attending it, will be taken into consideration by Government.

4. The above decisions will be included in Army Regulations, India, Vol. IX.
