GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 3rd December 1894, No. 631.

In reference to the marginally-noted orders, I have the honour to submit a statement showing the charges of the Police hospitals during 1893, and to state that the same have been verified with the figures in the Accountant-General's office.

2. One chief cause of variation or disagreement between the two sets of figures lay in contingent charges being recorded in Treasury accounts as charges of the month in which they were actually disbursed from the Treasury in accordance with Article 87 of the Civil Account Code, while in the statements submitted to this office they were shown as charges for the month in which the expenditure was incurred.

3. To ensure uniformity, I propose, with the sanction of Government, to adopt the rule in the Account Code in future reports which will be submitted on the lines of the Civil Hospitals report under the sanction accorded in G.O., No. 642, dated 3rd September 1894, Public Department.

SUBJECT.
I am informing the at the figures for the new statements in question did not exist for 1893-94 & the first set of them for 1894-95 will be submitted after the close of the financial year.

GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

READ—the following paper:—
From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 3rd December 1894, No. 631.

In reference to the marginally-noted orders, I have the honour to submit a statement showing the charges of the Police hospitals during 1893, and to state that the same have been verified with the figures in the Accountant-General's office.

2. One chief cause of variation or disagreement between the two sets of figures lay in contingent charges being recorded in Treasury accounts as charges of the month in which they were actually disbursed from the Treasury in accordance with Article 87 of the Civil Account Code, while in the statements submitted to this office they were shown as charges for the month in which the expenditure was incurred.
3. To ensure uniformity, I propose, with the sanction of Government, to adopt the rule in the Account Code in future reports which will be submitted on the lines of the Civil Hospitals report under the sanction accorded in G.O., No. 642, dated 3rd September 1894, Public Department.
