PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

From the Examiner P.W. Accounts No. 2517 A dated 15 July 1895

The following is forwarded to the Secretary to Government, Public Works Department, for information with reference to G.O. No 1470W dated 18 June 1895

Copy of letter from the Examiner P.W. Accounts, Madras, to the Accountant General P.W. Department No 2516 A dated 15 July 1895.

I have the honour to request to be informed whether I need take any further action on the following case:-

2. The Government of Madras has granted permission to the Madras Dramatic Society to use the Bonnamara Free Library and Victoria Technical Institute, free of rent, for theatrical purposes and permission has also been granted to that Society to make certain alterations to the lecture theatre of the building at its own cost on the understanding

that the alterations are not in any way detrimental to the purpose for which the building was intended

3. With reference to these alterations I represented that the use of the building for such purposes was apparent by conformity to the rule in P.W. Code Volume I Chapter X para 71. I have been informed in reply that permission was not granted to use the Government Free Library & for theatrical purposes but that the Indian Dramatic Society have been permitted to use the lecture theatre for occasional performances, it was considered for general public utility that residences or other Government properties be not there

4. The lecture theatre forms a portion of the whole building, and the other portion of which contains a library & furniture etc. of some value, and it is doubtful whether the lecture building can be looked upon as a separate building.
