ENCLOSURES. 2

Subject.

Submitting for favourable
consideration of Government
Application for one month's
privilege leave on behalf
of the Principal Medical
Officer.

D. S. has now played the card
that I anticipated that he would.
He will leave the matter of the
amalgamation of the W. L. C. and
General Hospitals undisturbed after
having as well be seen from the
last report done by him
to be that it will be a struggle
a knot as he can.

12/8/95.

It is not apparent how if D. S.
health is such as to render it
necessary that he should go
before a week. But a month's
leave may be done there
any good 12/8/95.

I should not grant this leave but
leave on medical certificate - Of course
on account of the importance of the
case, but I must confess to the
greatest doubts as to his temporary
health as to be able to
do his duty 12/8/95.

Proceedings of a Civil Medical Board assembled at the General Hospital on the 27 day of July 1895,

to report on the state of health of Brigade Surgeon Lt Col W Price M D Indian Medical Service

PRESIDENT Surgeon Major J. Wainland
MEMBERS { Surgeon Major L. C. Sarkis
Surgeon Capt C. H. Talke M B

We do hereby certify that according to the best of our professional

INSTRUCTIONS.

With the cognizance of the head of his office, or if he is himself the head of the office, of the head of his department, the applicant must present himself with 3 copies of the statement of his case in a cover sealed by his medical attendant at the seat of the Government office in which he is serving, or at such other place as may be appointed by that Government where a committee of medical officers can be assembled under the orders of the Surgeon General. The board should see that the applicant fulfils these conditions.

Before deciding whether to grant or refuse the certificate, the medical board may in a doubtful case, detain the applicant under professional observation during a period not exceeding fourteen days.

If it can be avoided, the medical attendant on a case should not be a member of the board which considers it, and under no circumstances can he sit as president. He should, however, be required to attend the board to furnish any information whenever his presence is considered necessary.

The medical board, after a careful examination of the officer, and consideration of the medical attendant's statement of the case, will record in the proceedings as follows:

- (a) Whether change of climate in or out of India is necessary.
- (b) The period of absence recommended in or out of India, care being taken that leave in excess of the period to which the sick officer is entitled by regulations is not recommended.
- (c) In the case of an officer requiring furlough or leave of absence owing to illness caused directly by intemperance, the medical board, whilst recording their opinion, will confine their recommendation to the officer appearing periodically before fresh boards, or to the treatment of the case as one of discipline, whichever may be deemed necessary.

In urgent cases, when a medical board considers it absolutely necessary that an officer recommended for change of air, either in or out of India, should proceed in anticipation of sanction, a recommendation to that effect should be made in the proceedings.

judgment, after a careful personal examination of the case, we consider the health of Brigade Surgeon Lt Col W Price M D of the Indian Medical Service service to be such as to render leave of absence to the Hills for a period of one month absolutely necessary for his recovery.

B. S. Lt Col Price
submits a medical
certificate in support
of his application for one
month's privilege leave.

Under Article 220(a)
C. S. R. the Govt has full
power to deal with appli-
cations for leave according
to the exigencies of the
public service. In this
case the Govt has decided
that unless incapacitated
by illness Dr. Price's
presence at Madras is
necessary, and that in
view of the medical cert:
subd. by him he must
go on leave on half pay.

The case is an uncon-
mon one and it has
been necessary to con-
sult the Asst Genl. Dr.
Price is under the Furlough
Rules of 1868 (Appendix
H. C. S. R.) and the case
falls for disposal under
art. 671. C. S. R.

Under Note (2) to Rule 5(3)
(Page 375. C. S. R. Dr. Price
will be entitled for the

Moretto has absent from duty to Rs. (1600 ÷ 2) 800 or £ 38.15-0, whichever is more. At the official rate of exchange - 1-1/4 - it wd. come to Rs. 701-14.2.

The following G.O. is subd. for approval:-

G.O. of 17th August 1895 No. 691.

As the exigencies of the public service do not permit of the grant of privilege leave to Brigade Surgeon Lieut. Col. W. Price he will be allowed furlough in India in accordance with the medical certificate submitted by him.

The following Note will be published in the Fort St. George Gazette:-

"With reference to Article 671, C.S.R., Bde Surg. Lieut. Col. W. Price M.D. is granted furlough in India on medical certificate for one month under the Regulations of 1868."

7.5.13 In B. Surg. Price will probably return against this. I consider that it should not go out without the approval of H.M. I have taken considerable pains to see that there is no mistake & think that there is none.
