In G.O. No. 1370 W dated the 2 June 1894, an Estimate amounting to Rs 32,831/ was sanctioned for additions to the central block of the Lying-in Hospital and the work is now approaching completion. It is now found necessary to alter a portion of the covered passages on either side of the central block. If left as they are they will shut out light & air from the additions made at either end. I enclose for the sanction of Government a supplemental Estimate amounting to Rs 1240/- for the alterations. The Superintendent of the Hospital approves of the alterations.

Sponted out to the Consulting architect how
the present double verandahs & pillars would obstruct
light and air. Mr. Town said they were not
take & could easily be altered without spoiling the
work of the hospital. I am of opinion that their
removal is necessary.
